

Newhall School District **2025/2026 Enrollment Process**

Initial student enrollments are completed online. If the child’s birthday falls within the chart below, the child is eligible to register for the 2025/2026 school year. To verify your child’s home school, click on the following link:

[School Site Locator](#)

To begin the enrollment process click on the link below and read the instructions for more information:

<https://newhallsd.asp.aeries.net/air/>

When the parent has completed the online registration forms, the school office will review the forms and send an email with a request to schedule an in-person appointment. During the appointment, the parent will be required to provide several documents. The following documents are required by California Education Code to complete a child’s registration. ALL documents will be copied and the originals will be returned to the parent.

1. Official birth certificate, passport, or baptismal certificate (per CA EdCode 48002);
2. Residency verification in the form of **TWO** current (30 days) of the following (per CA EdCode 48204.1):
 - Property tax payment receipts
 - Rental property contract, lease, or payment receipts
 - Utility service contract, statement, or payment receipts
 - Pay stubs
 - Voter registration
 - Correspondence from a government agency
 - Declaration of residency executed by the parent or legal guardian of a pupil
 - a. If the parent has just moved into the area and does not have any of the above items listed, final closing escrow paperwork will suffice as a **temporary** form of residency for 30 days. The parent will be required to produce two of the above-mentioned residency verification documents after 30 days.
 - b. If the utility documents are under another individual’s name (*not parent or stepparent*), the parent must bring that individual to the school office, along with the two bills and their California Driver’s License or ID. The parent and the residence provider will fill out an Affidavit of Residency in the Office. This form must be renewed annually;
3. Official verification of immunizations;

For additional information, please contact your school of residence.
