Mission Statement

At Old Orchard, we collectively commit to:

- ensure all students achieve at high levels and become lifelong learners.
- provide a nurturing and safe student-centered learning environment where students are encouraged to take academic risks.
- foster a positive, caring community which respects and values diversity.

Positive Behavior Intervention and Supports

PBIS is a system of explicitly taught behavior expectations that is shared in all classrooms and areas of the school campus. This system offers a multi-tiered approach to social, emotional and behavioral support. Our school based team will support the campus in this shared language and expectation as well as celebrations of positive behavior on campus. With explicit targeted instruction on expectations and behavior, PBIS improves social, emotional, behavioral and academic outcomes for all students.

CELEBRATING SUCCESS!

Children at Old Orchard are recognized for both academic and social growth. At monthly flag ceremonies we celebrate social growth and bring our community together. Students receive character recognition awards based on the Character Counts program. At the end of each trimester, students receive academic awards and are honored at an award ceremony.
