August 22, 2018

Dear Parent/Guardian,

This letter is to inform you about Assembly Bill No. 10 (AB 10) which was added to section 35292.5 of the California Education Code on October 12, 2017. This bill requires every public and private school that maintains students in grades 6-12 to stock 50% of the restrooms with feminine hygiene products. These products are to be provided to the students free of charge in Title I Schools, which meet certain economic criteria.

Newhall School District will be providing feminine hygiene products free of charge to all of the ten schools in our district. Dispensers which will provide feminine products free of charge to students are currently being installed in the female restrooms at all ten school. Please encourage your daughter to use these products as needed, and not to waste these products unnecessarily.

Newhall School District strives to provide the best education and resources for your student's success at school.

Thank you for your support,

NSD nurses

Sandra Gault RN, MSN, PHN

Danielle Ewing RN, BSN, PHN
