Harvest of the Month (HOTM) provides students with opportunities to explore, taste and learn about the importance of eating fruits and vegetables. This month we are featuring APPLES!

Did you know that eating a variety of colorful fruits and vegetables throughout the day will help you meet the recommended daily values of nutrients that your body needs to be healthy. Try the apples served at your school's School Day Cafe every Tuesday this month.

A Joint Partnership of Castaic, Newhall, Saugus, and Sulphur Springs school districts.
