

Kindergarten High Frequency Words

Hi Families!

In addition to your child learning letter names and sounds, we will be working on learning high frequency words this year. High frequency words are words that are frequently found in English texts and books. Learning these words will greatly improve your child's ability to read. Below is a list of words that we will be learning and assessing this school year. We appreciate you supporting your child's literacy development at home by helping your child learn these words.

-The Kindergarten Teachers

Cycle 1

August 15 -
September 27

a, I, like, the

Cycle 2

September 27
- November 15

at, do, to, we, he,
