School Description

Stevenson Ranch Elementary School is located in Stevenson Ranch, California, a suburban area thirty miles north of Los Angeles. Built in 1995 and designed to accommodate 930 students, the school is experiencing declining enrollment and houses 792 students in transitional kindergarten through sixth grade with four special day classes. The school has 755 students in 28 regular education classrooms and 43 students in four special day classrooms. Stevenson Ranch has an average class size of 24 in all Transitional Kindergarten – 3rd grade classrooms and an average class size of 32 in 4th – 6th grade and serves a population that is 45% White, 19% Hispanic, 31% Asian and 2% “other”. The staff, combined with the efforts of the parents and countless volunteers, create a culture that is warm, caring, and focused on excellence.

Other Support Staff	<ul style="list-style-type: none"> 1 Counselor – Part time 1 Library/Media Technician 1 Curriculum Specialist - Intervention 1 Support Specialist – Science

Stevenson Ranch has specialized programs for its students such as intervention, Gifted and Talented Education (GATE), school wide technology, counseling, student council, in-school enrichment and awards for character and attendance. Stevenson Ranch is a school where a community comes together to achieve the very best for children. It is in this caring environment that a rich, standards-based curriculum is taught daily and children, parents, and teachers learn together.

The community supports the traditional values of honesty, responsibility, patriotism, and pride in work. Stevenson Ranch teaches these same values and works closely with the local community in pursuing high expectations, academic excellence, and strong community involvement. We are proud to be named a 1998, 2004, 2008, 2012, and 2018 California Distinguished School, 2001 and 2012 National Blue Ribbon School, and a California Business for Education Excellence Foundation and California Just for Kids 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, and 2016 Honor Roll School. Our award-winning school has consistent high student academic performance. With the implantation of Common Core standards, student achievement continues, as the California School Dashboard ratings of Blue (Highest Rating) were earned in Language Arts and Mathematics.

Our school's orderly, child-centered environment is conducive to learning and welcoming toward all. The spirit on campus is inclusive and students are eager to share their school life with those important to them. For example, VIP Day last year brought over 650 guests to our classrooms to partake in the daily experience of children who attend Stevenson Ranch. Families of children volunteer in our classrooms daily, serve on our Parent Teacher Organization, our English Learner Advisory Board, and our Site Council committees. Volunteers who do not have children attending the school have served in the library, assisted in classrooms, and donated goods and services to support our children's education.

Our school operates as a Professional Learning Community. In grade level and cross-grade level meetings, our staff continuously analyzes student performance data. The results of those analysis inform teaching strategies and support programs to close gaps or extend concepts for individual students. Trends dictate the focus of professional development. Our Site Council and parent leaders examine California standards, student work, rubrics, assessment data, and professional development and its relationship to instructional improvement. This process allows us to clearly articulate the critical roles staff, students, and community must play in a genuine learning community. Based on this practice, we consistently engage in collective inquiry through data-driven analysis of outcomes. We measure excellence by results and hold ourselves collectively accountable for student achievement.

Our school motto *First in Excellence, First in Pride* is shared by students, staff, and the local community. It plays a fundamental role in the instructional program. Parents, community members, and staff work closely together to exemplify for our children that school is an important place and a learning community for all. It is in this caring environment that a rich, thinking curriculum unfolds each day, and children, parents, and staff learn together.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	2.3
American Indian or Alaska Native	0.3
Asian	23.2
Filipino	3.4
Hispanic or Latino	19.3
Native Hawaiian or Pacific Islander	0.0
White	41.6
Socioeconomically Disadvantaged	11.5
English Learners	6.5
Students with Disabilities	11.4
Foster Youth	0.0

2017-18 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	114
Grade 1	106
Grade 2	96
Grade 3	106
Grade 4	111
Grade 5	113
Grade 6	137
Total Enrollment	783

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
Stevenson Ranch Elementary	16-17	17-18	18-19
With Full Credential	32	32	32
Without Full Credential	1	1	1
Teaching Outside Subject Area of Competence	0	0	0
Newhall School District	16-17	17-18	18-19
With Full Credential	♦	♦	264
Without Full Credential	♦	♦	6
Teaching Outside Subject Area of Competence	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Stevenson Ranch Elementary	16-17	17-18	18-19
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Textbooks and Instructional Materials Year and month in which data were collected: December 2018	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	Benchmark Advance, 2017, Benchmark Education Company The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	Bridges, Math Learning Center (K-5), adopted May 2016 College Preparatory Math (6), adopted May 2016 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	Harcourt Science (K-2, and 6) and Prentice Hall Science Explorer (6), adopted Spring 2008 STEMscopes (TK-5), approved spring 2016 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
History-Social Science	Harcourt Brace Social Studies (K-6), adopted Spring 2007 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

School Facility Conditions and Planned Improvements (Most Recent Year)

The Newhall School District is very concerned about the safety of our students, staff, parents, and community members. The following outlines the various steps the Newhall School District takes to ensure we have clean, safe, and well maintained schools.

Cleanliness

The Newhall School District provides custodial staffing so that every classroom at every school can be cleaned daily. We also clean all Preschools and Kindergarten bathrooms and offices on a daily basis. Our Director of Facilities routinely inspects our schools to ensure they are kept in a clean, safe and orderly condition. Our custodial staff has been directed to notify the school Principal or Office Manager of any safety hazard or maintenance issue that requires immediate attention. The Office Manager will submit a work order via our net-based work order program where the Director of Facilities reviews and distributes work orders to maintenance staff. Safety related work orders are labeled number one priority!

Weekly School Visits / Inspections

The Director of Facilities visits and inspects two schools every week

Security

We ask that all parents and visitors check in with the main office at each school. To assist staff in communicating on site, two-way radios are used by administrative staff, office staff, and safety supervisors. Each school provides playground supervision to ensure our students are properly supervised during recess and identify any safety or security concerns to the school administrative team.

Risk Manager

The Newhall School District employs a Risk Manager. This employee routinely visits all of our schools and inspects each school regularly. Our Risk Manager is also a Certified Playground Inspector and inspects each school's playground equipment. The inspection includes making sure the equipment is safe, has sufficient fall material, and that there are no loose nuts/bolts and any other potential hazard. If there are any safety concerns regarding the playground equipment, we prohibit the use of the equipment and have the problem resolved immediately.

Age of Schools

The Newhall School District includes 10 schools. Our newest school was constructed in 2005-2006. Eight schools are either less than 13 years old or have been "modernized" with local and State bond funds. "Modernization" may include utility infrastructure replacement, new carpeting, new lights, new windows and doors, new locks, new interior and/or exterior wall paneling, fire alarms, communications systems, internet infrastructure to all classrooms, storage, roof replacement, interior/exterior painting, library renovation, and bathroom renovation.

The district successfully passed Measure E, a \$60 million school construction and modernization bond, in 2011. Projects include the replacement of aging portable classrooms with permanent buildings, the renovation of Newhall Elementary School auditorium, upgrades to the district infrastructure including technology, energy management, communications and utility controls. A significant investment in classroom technology has been completed.

School Facility Good Repair Status (Most Recent Year)		
Year and month in which data were collected: 12/18/2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	87.0	93.0	69.0	71.0	48.0	50.0
Math	81.0	90.0	65.0	68.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	15.2	21.4	45.5

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	440	439	99.77	93.39
Male	210	209	99.52	92.34
Female	230	230	100.00	94.35
Black or African American	--	--	--	--
Asian	108	108	100.00	97.22
Filipino	12	12	100.00	100.00
Hispanic or Latino	70	70	100.00	88.57
White	196	196	100.00	91.33
Two or More Races	46	45	97.83	97.78
Socioeconomically Disadvantaged	39	39	100.00	74.36
English Learners	56	56	100.00	92.86
Students with Disabilities	27	27	100.00	74.07

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2017-18 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	442	439	99.32	89.75
Male	212	209	98.58	93.3
Female	230	230	100	86.52
Black or African American	--	--	--	--
Asian	108	108	100	98.15
Filipino	12	12	100	91.67
Hispanic or Latino	71	70	98.59	82.86
White	197	196	99.49	87.24
Two or More Races	46	45	97.83	91.11
Socioeconomically Disadvantaged	39	39	100	66.67
English Learners	56	56	100	91.07
Students with Disabilities	29	27	93.1	70.37

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

-Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

-Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Every school in the Newhall School District welcomes parent involvement. Stevenson Ranch Elementary has an active Parent Teacher Organization that provides opportunities to work on special events, classroom support, and volunteer opportunities within different departments of the campus. A school site council comprised of equal numbers of parents and school staff offers parents opportunities to participate in site-based decisions. In addition to parents conferences and regular volunteer opportunities, classroom teachers invite parents into the classroom to participate in learning activities at least three times per school year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Every school in the Newhall School District has a comprehensive safety plan that is reviewed and updated annually. For further information please contact Tim Palmer, District Safety Coordinator, at (661) 291-4196.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	0.4	1.0	0.1
Expulsions Rate	0.0	0.0	0.0
District	2015-16	2016-17	2017-18
Suspensions Rate	0.8	1.2	1.1
Expulsions Rate	0.0	0.0	0.0
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	NA
Counselor (Social/Behavioral or Career Development)	0.4
Library Media Teacher (Librarian)	NA
Library Media Services Staff (Paraprofessional)	0.75
Psychologist	1.0
Social Worker	NA
Nurse	0.25
Speech/Language/Hearing Specialist	1.4
Resource Specialist (non-teaching)	1.0
Other	1.07
Average Number of Students per Staff Member	
Academic Counselor	NA

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Elementary)												
Grade	Average Class Size			Number of Classrooms*								
				1-20			21-32			33+		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
K	23	23	23	1			4	5	5			
1	24	22	25				3	4	4			
2	24	22	22		1	1	3	4	3			
3	23	25	22			1	5	4	4			
4	24	26	30	2	1			3	3	3		
5	32	28	31		1		2	4	4	2		
6	26	28	27	1	1	1	5	4	4			
Other	11		11	1		2						

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

The Newhall School District provides professional development to staff in an effort to enable all students to become proficient or advanced in the Common Core California academic content standards as measured by the CAASPP test. Ongoing efforts in staff development focus on English Language Arts, English Language Development, Mathematics, Science, Guided Language Acquisition Design, Depth and Complexity Icons, Thinking Maps, and the NSD Coherent Writing Program.

Professional development in the core subjects is designed to support the instructional shifts in English Language Arts and Mathematics under the new California State Standards. The role of the classroom teacher shifts from an instructor to a facilitator of learning in this model. In this professional development, teachers are shown how to expect students to work collaboratively together to problem solve and communicate their learning based upon cited evidence and a deeper understanding of ideas. This instructional model demonstrates that student-to-student discourse is frequent and on-going throughout the arc of the lesson. Teachers engage in activities that illustrate how students must be given opportunities to explore and demonstrate their learning with manipulatives and other technology tools. Teachers engage in multiple professional development opportunities throughout the year and engage with Instructional Coaches to reinforce this work.

Guided Language Acquisition Design (GLAD) is an instructional model with clear, practical instructional strategies for developing metacognitive use of high level academic language and literacy skills. All new teachers to the district attend a total of 7 days of learning in this model. The structure, strategies, and classroom implications are invaluable in a multi-lingual setting. GLAD monthly meetings are held with the trainers and the trained teachers to celebrate successes and to discuss concerns and future plans.

Newhall School District's Coherent Writing Program (CWP) is another example of high quality and ongoing professional development provided to all teachers within the Newhall School District. Implementing the CWP entails comprehensive professional development; teachers receive an initial presentation (by teacher-leaders from the CWP's Writing Professional Development Committee) on a given genre, teach the genre to students, return for a follow-up session to score and analyze student work, and finally, administer a formative (benchmark) assessment, using the results to effect improved performance. All new teachers or teachers new to a grade level receive this training on three genres. After a full year of professional development, teachers attend "tune-up" sessions in subsequent years to learn/share new strategies through examination of their students' work. Overall, the intent is to increase teachers' sophistication in their pedagogy, year-to-year.

Thinking Maps, Tools for Learning is an additional high quality professional development opportunity for teachers within the Newhall School District. It is a powerful and distinctive thirty-hour hands-on course that provides teachers with a series of dynamic learning experiences in the 8 fundamental thinking processes. The course provides an intense study of visual-verbal learning maps, each based on a set of tools showing relationships. This course is carefully crafted, giving teachers the tools that enable them to promote continuous cognitive development. Thinking Maps can be used consistently across disciplines and grade levels to advance integrated thinking and interdisciplinary learning.

Depth and Complexity Icon Training is also offered through the district. This training gives teachers additional differentiation strategies to use. The strategies help students use high-level thinking skills to analyze text and write responses.

The Induction Program provides an effective transition into the teaching career for first- and second-year teachers. Each new teacher is paired with a support provider who provides intensive individualized support and assistance. An induction plan is in place for each participating beginning teacher and is based on an ongoing assessment of the development of the beginning teacher. This program ensures continuous improvement through ongoing research, development, and evaluation for the first two years of teacher service. Additionally, Newhall School District provides coaching opportunities before and during the school year to teachers new to the district (either beginning teachers or teachers coming from other districts). Administrators monitor and meet with new teachers over the course of the year, both individually and as a group, to provide an opportunity to ask questions, discuss needs, and clarify school goals and priorities.

FY 2016-17 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$49,096	\$50,084
Mid-Range Teacher Salary	\$71,081	\$80,256
Highest Teacher Salary	\$92,976	\$100,154
Average Principal Salary (ES)	\$127,747	\$125,899
Average Principal Salary (MS)	\$0	\$130,255
Average Principal Salary (HS)	\$0	\$128,660
Superintendent Salary	\$198,204	\$222,447
Percent of District Budget		
Teacher Salaries	39.0	37.0
Administrative Salaries	6.0	5.0

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

Stevenson Ranch School operates within the guidelines of two California budget categories (Base Grant and Supplemental Grant), and Federal Title III funding. These funds are expended in support of the goals established by the NSD Local Control Accountability Plan.

Specific activities funded at Stevenson Ranch include:

- Extension class for Gifted students
- School day pre-teach, re-teach, and intervention support provided by credentialed teachers
- Curriculum Specialists who work during the school day to support learning
- Translation support for second language parents
- Curriculum and instructional support for second language learners

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	8789.99	2123.3	6666.68	91564.82
District	◆	◆	9658	\$74,761
State	◆	◆	\$7,125	\$80,910
Percent Difference: School Site/District			-36.6	20.2
Percent Difference: School Site/ State			-6.6	12.4

* Cells with ◆ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.
