

# Logging in to CLEVER

a single login for all online programs and resources

Log into your computer using your Google Email address.

Ensure you are using Chrome as your browser.

Use the following link to install if needed:

<https://www.google.com/chrome/>

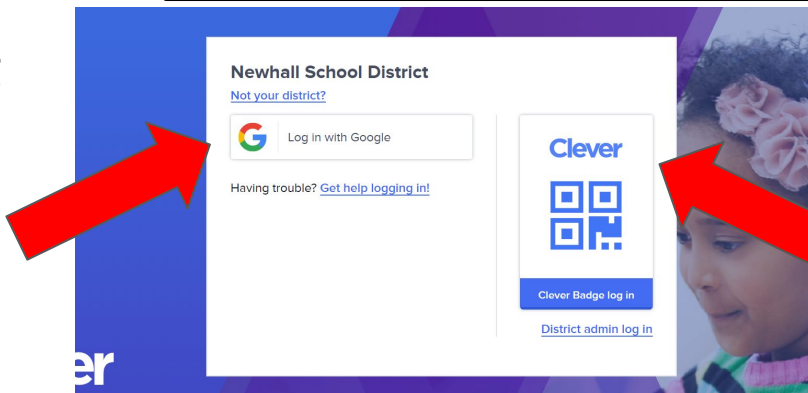

Go to [www.clever.com](http://www.clever.com) and log in as a student

## Select your school

Log in Options 1 and 2:

1. Select "Log in with Google" and select your student's account.

2. After logging in at least once with option 1, students can print and use the badge option for logging in as well.

# What will my student have access to in Clever?

The screenshot shows the Clever dashboard interface. At the top, there is a blue header bar with the Clever logo on the left, a search bar in the center, and a 'Portal' button on the right. Below the header, the main content area is divided into sections. On the left, there is a sidebar with 'Teacher Pages' and 'More apps' links. The main area features a 'Teacher Pages' section with an owl icon and a 'Teacher Name' field. Below this is a 'More apps' section displaying a grid of application icons: Benchmark Education, Davis Digital, DreamBox, Neptune Navigate, Studies Weekly, and Twig Science.

By clicking any apps on the Clever page, students will be automatically logged in!

Students can print and use the badge option for logging in as well.

This image shows a close-up of the user profile dropdown menu in the Clever interface. The menu is open, showing options for 'Download Badge' and 'Log out'. A red arrow points to the 'Download Badge' option.
