

Dear Beginning Percussion Students and Parents,

We want to again congratulate your children on a successful Beginner's Showcase Concert. Some families have wondered about practice during this time of school closure. There is no expectation of practice. However, here are some **optional** learning activities for any family that is interested.

Each student should have a Beginners' Medal Check-off paper that contains all the songs that we have been working on. Some reminders as they work on these songs is to focus on correct notes, rhythms, and stickings. This is a great time to review your notes and write in counts and notes as needed. (Page numbers of each of the percussion check-off songs are listed on the first page of the percussion manual) You may review any songs we have gone over in class and start to look ahead at new songs.

Here again are each teachers' emails:

Mr. Sit: osit@newhallsd.com

Ms. Fuentes: mfuentes@newhallsd.com.

Ms. Gappinger: jgappinger@newhallsd.com

Thank you,
NSD Orchestra
