

The background of the slide features a blurred image of a wooden desk. On the desk, there is a globe with a dark wooden stand, and several books are visible on the left and right sides. The background has a soft, out-of-focus aesthetic.

# Facilitated IEP Meetings In Newhall School District

Presented by Gina Ramallo, SEAC meeting 3/14/2024

# What is an FIEP

- Facilitated Individualized Education Program (IEP) meetings are:
  - Collaborative sessions involving parents, educators, and specialists
  - Decision- making is managed through the use of facilitation skills

# The Process enables the team to:

- Build and improve strong relationships
- Reach true consensus throughout the process
- Focus on the needs of the student
- Exercise efficiency
- Guides the meeting with effective communication

# The Purpose of using the FIEP process

- Guides IEP members toward the objectives
- Assists in building understanding and agreement
- Resolves conflict
- Improves time management
- Enables parents to receive information ahead of the meeting and come to the IEP prepared with questions
- Addresses concerns
