

# Inflatable/Game Reference Sheets

## Updated 10/24/2022

### Approved Inflatables/Games

#### Heavy Hitter

- Have adult supervision at all time
- Clearly designate a "swing" zone for the batter to ensure that bystander are not hit

#### Pit Stop Challenge

Please check with the vendor on recommended use of this activity. Inflating tires with too much air may cause the tire to explode.

#### Velcro Wall

Ensure that adult supervision is present at all times, jumpers should not be allowed to do flips and jewelry should not be worn to prevent injury to self, while using the Velcro wall.

#### Inflatable Rock Climbing Wall

- \* Vendor must supply staff (Belayers) to instruct, manage and supervise the rock wall activity
- \* Vendor must carry Workers' Compensation Coverage for their staff
- \* Often these types of rock walls are attached to a trailer, please ensure the vendor has the appropriate auto insurance.
- \* Participants are required follow the vendors recommended safety guidelines.

## Game Trailers

The truck/game trailer is kept stationary the entire set time of the event. The games to be offered are reviewed beforehand for appropriateness. Follow the vendor's recommendations on usage. Request a certificate of insurance from the vendor which should include general liability, workers' compensation for the employees/Game Coach that will be in attendance, automobile liability since a truck with the theater attached will be driving onto the school premises, and coverage for sexual molestation since the employee(s) will be working with children. Also request an endorsement naming the district additional insureds.
