When you have completed your online registration forms, the office will review the forms and send you an email with a request to schedule an in-person appointment. During that appointment you will need to bring several documents. These documents are required by our District Office in order to complete your child's registration:

1. **Original birth certificate**, passport or baptismal certificate.
2. Current proof of residency in the form of 2 utility bills; gas, water, electric, cable or residential phone bill (**May not be a mobile phone**). **Utility bills must be in the name of the parent(s) and current within the last 30 days.**
  - a. If you have recently moved into our area and do not have any of the above bills under your name: a lease agreement, rental agreement or **CLOSING escrow** paperwork will suffice as a **temporary** form of Proof of Residency.
  - b. If the bills are under someone else's name (*not parent or step-parent*), you must bring that person with you, along with the bills, as outlined above, and their California Driver's License or ID. You and your residence provider will fill out an Affidavit of Residency in the Office. This form must be renewed annually.
3. Official verification of immunization
4. ALL documents will be copied, and the originals returned to you.
