## Flyer Distribution Guidelines and Requirements

It is our district's policy to cooperate in publicizing community services, special events, and other activities of interest to our students and their parents. The volume of requests to distribute materials has increased to the point of impacting our educational program. In an effort to continue to provide this service to organizations, while minimizing negative impact on our sites, the following guidelines and requirements have been established. Flyers submitted for approval must be emailed to the Newhall School District Office at [smountan@newhallsd.com](mailto:smountan@newhallsd.com) and if approved will be distributed electronically.

All non-profit community groups not directly associated with the schools of the Newhall School District which wish to send e-flyers and other materials with students in the Newhall School District must comply with the following guidelines and requirements:

  - b. All flyers will be distributed via Parent Square on the Friday prior to the 30<sup>th</sup> of the month, or on the last student attendance day before a school break.
- 2) All flyers and materials must be submitted to the Assistant Superintendent of Instructional Services for approval, by the date specified on the NSD Flyer Distribution Schedule.
- 3) All organizations seeking approval to distribute materials must be non-profit organizations, and the materials must announce or publicize activities or events that are of interest to the District's elementary age students and their parents.

- 5) Proof of non-profit status in the form of an IRS letter must be submitted prior to approval.
- 6) If the organization is using a District facility, flyers may only be distributed to the school site where the club is meeting or the event will be held.
- 7) All flyers must have the following disclaimer in at least a 12 point font size, and displayed clearly at the bottom of the flyer:

*“(Club, organization, etc) is neither sponsored nor endorsed by the school or the Newhall School District.”*
- 8) If a parent response or permission form is included, the form must clearly include the statement below, in at least a 12 point font size, placed at the bottom of the form:
