Bring in the Northwest fence line to allow sufficient greenspace for paseo foot traffic (backstop relocation & irrigation modifications necessary) **\*In order to avoid trees, drains, light posts a 6' green belt will be necessary**

Gate addition @ Northwest Corner alongside paseo **\*Gate placement will allow grounds and foot traffic to enter alongside paseo**

Modify the K-yard area to also allow more green space **\*Fence placement has been modified to allow greenbelt alongside paseo, mulch and privets to be installed between existing block wall and new fence system**

Add garbage cans to paseo area to help relieve usage of neighboring waste receptacles **\*City of Santa Clarita has agreed to install additional waste receptacles alongside paseo to assist the District with this issue**

Valencia Valley School to remain accessible after hours from (3:30-11pm) **\*\*Unless Vandalism increases\*\***
