

Dear Future Fourth Grade Parents,

School Year 2024-25

We are excited to participate in your child's growth and learning next year. At Oak Hills we are proud of the level of support parents provide to our school programs. One simple way parents have helped out is by providing some basic supplies. For the school year there are two types of supplies we are asking you to donate if possible (this is not a requirement). Please send in your classroom donations on the first day of school. These supplies are for general classroom use by the teacher, students, and volunteers.

We are giving you this list now so your family has the option of taking advantage of back-to-school sales that traditionally take place in early August.
